CONVENIENCE AND IMPROVED COMFORT

Comfortable procedures ensured through your choice of cooling options, Cryogen or Air Cooled, that won't break the bank but still provides optimum comfort for your patients.

More effective cooling than leading competitor for improved patient comfort and annual cryo savings.

WHAT YOUR PEERS ARE SAYING

"I am so glad to have the Clarity device in my office. It has become my go-to device for Permanent Hair Reduction, plus I love that I can also perform a wide variety of other efficacious treatments. The ROI on this device is tremendous."

Omar Ibrahim, MD PhD, USA

"Lutronic's Clarity is such an effortless device to use; I have switched over to this device for all my permanent hair reduction treatments. I have come to rely on how quickly can switch between spot sizes and treatments without having to stop and change out the fiber. I also love that I have total control of cooling in all phases of treatment, which adds to the safety factor when treating skin of color"

Gilly Munavalli, MD, MHS, FACMS, USA

"CLARITY is my third Lutronic unit and one of the favorites in my practice. The device is perfect to perform virtually painless treatments on face and body. It is in constant use because it covers a wide range of indications and enables fast visible results. Patients are very satisfied and so am I."

Bettina Rümmelein, MD, Switzerland
